Our legal basis for contacting you and using your personal information

When you sign up to a newsletter, you are giving us your consent to send you marketing and fundraising materials by the methods you have chosen.

If you have provided us with your postal or telephone contact details, but haven't specifically opted-in to receive our communications (for example, making a donation by post), then we will carry out an assessment of whether it would be fair and reasonable to use them to send marketing and fundraising information to you without your explicit consent (i.e. it is in the interests of our aims as a charity and will not cause undue prejudice to you). This is called a "legitimate interests assessment".

In all cases, we balance our legitimate interests against your rights as an individual and make sure we only use personal information in a way or for a purpose that you would reasonably expect in accordance with this Policy and that does not intrude on your privacy or previously expressed marketing preferences.

If certain levels of donation are made, the Fundraising Regulator's Code of Fundraising Practice requires us, and all charities in the UK, to perform checks. More details can be found at www.fundraisingregulator.org.uk.

You can opt out of our marketing and fundraising communications at any time and you can opt out of your data being used for profiling and wealth screening techniques by contacting info@mosaicfamilysupport.org.

Your debit and credit card information

If you use your credit or debit card to donate to us or buy something online or over the phone, we will ensure that this is done securely and in accordance with the Payment Card Industry Data Security Standard.

You can find our more information about PCI DSS by following the link below:

All payments we receive are currently processed by secure third party websites, such as:

<https://localgiving.org>

<https://uk.virginmoneygiving.com>

<https://www.easyfundraising.org.uk>

In each case we do not receive your credit or debit card details at all, following the completion of your transaction. Please review the Privacy Policy of each provider should you wish to know how they manage your personal information.

Changes to the information we hold

You can help us keep our records up to date by telling us when your contact details and other personal information changes. You can also change your mind at any time about how we contact you or ask us to stop contacting you altogether. Where you have provided your consent for our use of your personal information, you always have a right to withdraw your consent at any time.

Please [contact us](#) and we will make the changes for you.

Under the Data Protection Act 1998 you have a right to request a copy of the personal information we hold about you and to have any inaccuracies corrected. You also have the right to request us to erase your personal information, request us to restrict our processing of your personal information or to object to our processing of your personal information.

Should you wish to exercise these rights we require you to prove your identity with two pieces of approved identification. Please address requests to The Data Protection Officer, Mosaic, 3 Barnes Croft, Coles Lane, Milborne St Andrew, Blandford Forum, Dorset, DT11 0LG

We will respond within 40 days of receipt of your written request and confirmed ID. Please provide as much information as possible about the nature of your contact with us to help us locate your records. We reserve the right to charge a fee of £10 for this process.

Our Commitment to Data Security

To prevent unauthorised access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect.
