

2025 MOSAIC IMPACT REPORT

Our Mosaic Impact Report offers figures from 2025 to show how many people are involved with Mosaic, the volume of referrals we receive, details of our marketing reach on social media and e-newsletter and the number of schools we work with in Dorset.

Children came to an Activity Day

We try to offer a range of Activity Day opportunities for children and families to attend to have fun and build friendships.

Days include: sailing, super car rides, nature exploration, circus tickets, Mosaic Day Camps and our Christmas party.

MOSAIC ACTIVITY DAYS

8

Mosaic Activity days

“Thank you so much. My children both attended Day Camp and came back absolutely ecstatic. They’d had a wonderful day where they got to share feelings and experiences with other children is such a positive and encouraging way. What a truly excellent thing to do. Thank you Mosaic” ❤️

“My daughter absolutely loved the day camp and got so much out of it. The knitted toys and blankets she brought home have pride of place in her room and since she wrote messages to her Nana, she has been writing in her journal more. We are really so grateful to Mosaic”

Working with an external Social media expert from November 2024 we continue to see a great improvement in figures for Facebook and Instagram.
